

## Application

- ◎ Washing machine distributors
- ◎ Soup dispensers
- ◎ Crop protection drones
- ◎ Filling machines

### Pump Size

### Features

- Product with waterproof, dustproof, and visual streamline pump cover design for easy overall cleaning and operation observation
- Simple structure, high reliability, suitable for certain corrosion-resistant applications
- Compatible with 3.3mm wall thickness hoses for easy transportation of viscous liquids
- Pump body base with built-in installation connection holes, no need for user to add separately

### Technical Specifications
