

Applications

- ◎ Inkjet printers
- ◎ Disinfection machine
- ◎ Beverage machine
- ◎ Water quality sampling
- ◎ Flue gas analysis

Features

- A simple and smooth mini peristaltic pump
- Stylish and attractive product, available in multiple colors (transparent/blue/yellow/brown/red/purple/green), facilitating visual management
- The product features a reverse lock mechanism to ensure long-term stability in operation
- 2-roller and 4-roller options available, with 2-roller providing longer tube life and higher flow rate, and 4-roller offering smaller pulse delivery
